

Cold Cold Heart
Hank Williams – key of D

INTRO A, D

^D I tried so hard, my dear, to show that you're my every dream ^A
Yet you're afraid each thing I do is just some evil scheme ^D
A memory from your lonesome past keeps us so far apart ^G
^A Why can't I free your doubtful mind and melt your cold, cold heart? ^D

^D Another love before my time made your heart sad and blue ^A
And so my heart is paying now for things I didn't do ^D
In anger, unkind words are said that make the teardrops start ^G
^A Why can't I free your doubtful mind and melt your cold, cold heart? ^D

(STEEL GUITAR A, D)

^D You'll never know how much it hurts to see you sit and cry ^A
You know you need and want my love, yet you're afraid to try ^D
Why do you run and hide from life, to try it just ain't smart ^G
^A Why can't I free your doubtful mind and melt your cold, cold heart? ^D

^D There was a time when I believed that you belonged to me ^A
But now I know your heart is shackled to a memory ^D
The more I learn to care for you, the more we drift apart ^G
^A Why can't I free your doubtful mind and melt your cold, cold heart? ^D
